(You will receive the Joining Link & Password via email upon registration)

In view of the difficult choices civilization is faced with, this conference will bring together thought leaders to debate and discuss **Dr. Sam Pitroda's** New Book "REDESIGN THE WORLD: GLOBAL CALL TO ACTION" with the participants, - the prospects how we might re-imagine and re-create a New World. Along with three thought leaders, Dr. Partha S Ghosh will examine the possibilities and prospects in launching a movement towards a better Global Dynamic.

'Sam Pitroda uses his vast experience in public life and deep technical expertise to make a compelling and an audacious case for a new design of the world order. Stimulating read'
