CULTIVATING GROWTH AT THE GRASS ROOTS

THE BOSTON PLEDGE

[The Boston Pledge](http://www.TheBostonPledge.org) (TBP) is a non-profit 501(C) 3 organization that brings together outstanding professionals committed to public service to address issues at the base of the pyramid. It is our firm conviction and overarching belief that by (i) *transcending the constraints of self-interest and limits of national borders*, (ii) *providing outstanding leadership in channeling intellectual know-how and financial resources to individuals, groups, or government bodies working for the betterment of society* and (iii) *focusing on “uncovering the inner power” within people at the grassroots*.

Our goal is to create a virtuous, equitable, and sustainable society for all humanity.
